THANK YOU!

WOW! Our students raised over \$37,000 in our annual PTC Fall Fund Raiser! PTC has earmarked some of the funds to go toward the purchase of new playground equipment on the playground at the east end of the building. Our students did a great job, but our parents are the real rock stars. Thank you to all of the moms, dads, grandmas, and grandpas who made purchases and who are helping deliver goodies all around town. The behind the scenes support of several families (unloading cargo, counting money, etc.) is appreciated. It is truly a team effort to make these activities a success. Please remember that all items must be picked up from South Prairie Gym on Friday, Nov. 9 from 2:00-5:30 pm.

LOST & FOUND

Our Lost & Found is overflowing with coats, sweatshirts, hats, lunch pails, boots, etc. Please make a point to stop and look through these items soon. Anything not claimed before Thanksgiving Break will be donated to local charities.

Picture Retake Day

November 7

Our Hats are Off to You

Our students have been working hard on being safe, respectful, and responsible. They have made it to their goal of 1,500 tokens for excellent behavior. To celebrate, we will be having Hat Day on Friday, Nov. 9. We are encouraging students and staff to come in a fun hat to celebrate a job well done!
